VIDEOGRAPHY & PHOTOGRAPHY EXPERIENCE

Student Videographer & Photographer

2021 – 2022

No. 1 Middle School, Zhongshan

Zhongshan, China

- Produced a 15-minute promotional film for the school's anniversary celebration as the sole creator, handling planning, scriptwriting, on-location filming, editing, and music
- Planned the shoot from the script and filmed on location across campus
- Delivered a final film that the school officially adopted for its anniversary celebration
- Photographed the school sports meet and basketball games, capturing fast-moving action and crowd moments

Founder & President, Photography Club

Sep 2022 – Jun 2024

The MacDuffie School

Granby, MA

- Founded and led an 8-member photography club, managing membership and activity planning
- Photographed school events, including the Spring Gala and Mid-Autumn Festival celebration, covering stage performances and group photos
- Organized monthly off-campus photo shoots, coordinating schedules, locations, and logistics
- Planned and hosted a photo exhibition each semester to showcase members' work

ADDITIONAL EXPERIENCE

Bond Underwriting Intern

Summer 2026

Everbright Securities

China

- Cross-checked financial statements for a bond issuance and found 4 disclosure inconsistencies, which were included in the project's review response

Independent Product Developer

2026

Self-directed projects

- Designed and built several web apps from idea to launch, including a recipe app that reached about 200 users organically
